FOLD

cdlabelgen 4.1.0 © 2001–2008 Avinash Chopde <avinash@aczoom.com>

home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Timon Of Athens

William Shakespeare

Timon Of Athens

The Life of Timon of Athens is a play by William Shakespeare about the fortunes of an Athenian named Timon (and probably influenced by the philosopher of the same name, as well), generally regarded as one of his most obscure and difficult works. Originally grouped with the tragedies, it is generally considered such, but some scholars group it with the problem plays. The play has caused considerable debate among scholars. It is oddly constructed, with several lacunae (gaps) and for this reason is often described as unfinished, multi-authored, and/or experimental. No precise date of composition can be given and, while most place it as close but prior to the late romances, theories posited have ranged broadly from Shakespeare's first work to his last. It is usually grouped with the tragedies (as in the First Folio), though some scholars have placed it with the problem comedies despite the death of its title character. Source material includes Plutarch's "Life of Alcibiades" and Lucian's dialogue, Timon the Misanthrope. The play had not been published prior to its inclusion in the First Folio (1623).
